Student 3 Name: _____ Homeroom Teacher: _____ Grade: _____

INTRODUCING THE HHS PTSA ANNUAL ENRICHMENT FUND

The HHS PTSA Enrichment Fund will be used to directly support students and teachers. Your tax-deductible donation is essential to providing high quality programs and activities that would otherwise not be possible. Your financial contribution and continued support helps to fill the gap to provide instructional programs, scholarships, teacher/club grants, campus beautification/modernization, teacher appreciation events, and is a key reason Hickory High School can provide a top education for our children.

Hickory High School PTSA is a tax-exempt 501(c)(3) organization and is eligible for company-matching gift programs. Donation receipt will be provided upon request.
